

Academic Advisement Report

For **Mustafa Abushwareb (23852150)** prepared on **03/29/2026**
Requested by **BATCH USER**

Graduation Requirements

Academic level	Required GPA	Actual GPA	GPA Status	Requirement Term
Undergraduate Career	2.000	3.333	Satisfied	Fall 2023
Computer Science Major (BS)	2.000	3.111	Satisfied	Fall 2023
Unit Requirements	Required Units	Total Units *	In Progress Units	Unit Status
Units Required for this Degree	120.00	88.00	13.000	Not Satisfied
Upper Division Units	42.00	16.00	10.000	Not Satisfied
Units in Residence	30.00	88.00	13.000	Satisfied
Upper Division Units in Residence	18.00	16.00	10.000	Not Satisfied

*Total Units and Unit Status include In Progress Units. In Progress Units are comprised of all ungraded coursework, including future enrollments, and courses with incomplete grades. Credit from repeated courses may be excluded from the in progress and total units. Visit the [Course Repeat Codes](#) website for additional information. Credit from developmental courses (e.g. SAS 100AX) is only temporarily included in the In Progress and Total Units and will also be excluded when graded. Note: Credit for a course can only be given once, unless otherwise specified in the course catalog.

Credit Type – EN=Enrollment at UA, IP=In Progress, TR=Transfer Credit, TE=Test Credit

Undergraduate Graduation Requirements

(RG511)

All course work and requirements for this degree must be completed prior to the date the degree is awarded. The University of Arizona requirements to follow in this audit are required for graduation and awarding of the degree.

Curriculum:

1. The University of Arizona and the Arizona Board of Regents have sole discretion over all curricula changes.
2. Courses, programs & requirements may be suspended, deleted, restricted, or changed in any manner, at any time.
3. Students must remain currently informed about all policies & other info that bears on completing a degree.

Required Units:

Additional units will be required to complete this degree if a student:

- A) is admitted to the UA with deficiencies;
- B) changes their academic plan(s);
- C) fails to meet minimum course/plan requirements;
- D) ineffectively plans or fails to execute a course of study that leads directly to degree completion; or
- E) Candidates for a second bachelor's degree at The University of Arizona with a different award date than the first must earn no fewer than 30 units of University Credit in addition to the units required for the first degree, and must meet all requirements for the second degree.

Correspondence and/or Exam Credit Limit

(R2075/L10)

Satisfied: A maximum of 60 units of Correspondence Credit and/or Exam Credit may apply toward graduation.

· **Units:** 0.00 completed

Non Degree Seeking Limit

(R838/L10)

A maximum of 15 units completed as a non-degree seeking student may be used for fulfilling undergraduate degree requirements.

Units exceeding this limit (shown below) must be subtracted from the units required towards the degree and graduation requirements.

Non-Community College Units

(R1227/L10)

Satisfied: Non-Community College Units: While there is no limit to the total number of units of course work that may be transferred from an accredited community college to The University of Arizona, no more than 64 units from a 2-year institution may be applied toward the requirements for a bachelor's degree. Therefore, to reach the required 120 units for a bachelor's degree, a minimum of 56 units must be completed from 1) coursework at a 4-year institution, 2) approved credit by examination (refer to UA Catalog for approved examinations and scores), or 3) any combination thereof.

· **Units:** 56.00 required, 88.00 completed

Success Course Limit

(R3297/L15)

Satisfied: No more than 3 units will apply toward a student's graduation requirements. All Success courses taken can be seen below. Success Course units exceeding the 3 unit maximum must be subtracted from the total units, residency requirements and cumulative grade point average.

PE Activity Course Limit

(R3297/L25)

Satisfied: No more than 3 units will apply toward a student's graduation requirements. All PE activity courses taken can be seen below. PE Activity units exceeding the 3 unit maximum must be subtracted from the total units, residency requirements and cumulative grade point average.

General Education Entry Course

(RG18614)

Satisfied: General Education Entry Course

Introduction to General Education course

(R16657/L10)

Satisfied: Introduces students admitted to the university as First-Year students to General Education, reflecting on learning, and developing an ePortfolio. (1 unit)

· **Units:** 1.00 required, 1.00 completed

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Type
Fall 2023	UNIV	101	Intro to General Ed Experience	A	1.00			EN

General Education Foundation Mathematics

(RG1434)

Satisfied: General Education Foundation Mathematics

GE Substantial Math Strand

(R16674)

Satisfied: Complete 1 course.

GE Substantial Math Strand

(R16674/L10)

Satisfied: Complete 1 course.

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Type
Fall 2024	MATH	122B	First-Semester Calculus	C	4.00			EN

General Education Foundation Composition & Second Language

(RG507)

Satisfied: Undergraduate General Education Foundation Composition & Second Language

Foundation Composition

(R532)

Satisfied: Complete 1 of the following 4 Foundation Composition options:

1. 3 Course Foundation Composition Sequence
2. 2 Course Foundation Composition Sequence
3. Honors Composition with grade of C or higher
4. Honors Composition with a grade of D and Second Semester Composition.

Please note: Students who earn a grade of D in Honors Composition may choose to repeat the course in order to earn a higher grade to satisfy the requirement. Please consult with your major advisor.

Mid-Career Writing Assessment - Complete 2nd semester English Composition with a B grade or higher. Students who do not earn a grade of B or better in 2nd semester English Composition must also satisfy a college or department writing requirement. Consult your major advisor if you do not earn a grade of B in 2nd semester English Composition.

OR Option 2: Foundation Composition - 2 Course Sequence

(R532/L20)

Satisfied: Complete 2 courses. Complete ENGL 101/107 AND ENGL 102/108

· **Courses:** 2.00 required, 2.00 completed

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Type
Fall 2023	ENGL	101A	1st-Year Comp with Discussion	A	4.00			EN
Sprg 2024	ENGL	102	First-Year Composition	A	3.00			EN

Foundation Second Language - Second Semester Proficiency

(R521)

Satisfied: Credit will not be given for a course at an equivalent or lower level than prior language credit earned. Course must be taken for a grade, not as pass/fail. Third semester or higher courses used to fulfill this requirement may also be used to fulfill other requirements. A grade of C or higher is required in the course that satisfies the second language requirement.

Demonstrate second semester proficiency in a second language by completing a sequence of courses through a second semester or higher level or by passing a language proficiency examination at the second semester level or higher.

IELTS Exam

(R521/L6)

Satisfied: International students who are native speakers of languages other than English may fulfill the Second Language Requirement with the Test of English as a Foreign Language (TOEFL) or with the International English Language Testing System (IELTS), provided that it was an admissions requirement and their score was satisfactory for admission to the University of Arizona.

Satisfied: International English Language Overall Band Score > or = 6

General Education Core Requirements

(RG18630)

Satisfied: General Education Core Requirements

Exploring Perspectives

(R16656)

Satisfied: Choose one course from each category.

Artist Courses

(R16656/L10)

Satisfied: Complete 1 course, 3 units total. Transfer students with quarter system credits may satisfy requirement with 1 course and 2.67 units.

BS in Computer Science

(RG17539)

Not Satisfied: Bachelor of Science in Computer Science

The Bachelor of Science in Computer Science has an "Advanced Standing" structure. Progression to "Advanced Standing" is competitive and has specific GPA and course requirements. For more information visit the Department of Computer Science website: www.cs.arizona.edu.

Due to the dynamic nature of the field of computer science, it is recommended that students see their advisor each semester. Prospective TRANSFER STUDENTS are highly advised to talk to a UA advisor well in advance of their planned transfer in order to ensure that they are taking advantage of all possible transfer course options. This will help enable a smooth transition to the UA and a timely graduation.

In order to progress to Advanced Standing, a student must have:

- a cumulative UA GPA of 2.4 or higher
- GPA of 3.0 or higher in best attempts at CSC 120, 210, & 244 taken at the UA or elsewhere.
- GPA of 2.0 or higher in all attempts at CSC courses (excluding GRO 1st attempts) taken at the UA
- at least two programming courses completed at the UA (CSC 110, CSC 120, CSC 210, CSC 252, CSC 317, CSC 335, CSC 337, CSC 346, CSC 352, CSC 372, CSC 343, CSC 380)

Students who do not qualify for Advanced Standing should schedule an appointment with their department advisor to discuss the criteria/process and create a potential plan for progressing to Advanced Standing in a future term.

Only one course from CSC 110, ECE 175 and ISTA 130 may be used towards the program.

Only one course from CSC 144, MATH 243 and MATH 323 may be used towards the program. Only one course from CSC 252 and ECE 369A may be used towards the program.

Only one course from CSC 317 and CSCV 381 may be used towards the program.

Up to three approved courses (total) from another department, as defined below, may be used toward the BS in Computer Science major requirements:

1. ECE 175 or ISTA 130 may be used in lieu of CSC 110
2. MATH 243 or MATH 323 may be used in lieu of CSC 144
3. ECE 369A may be used in lieu of CSC 252
4. One course offered by another department listed in the Additional Elective II section of the COSCBS advisement report (including cross-listed courses: ECE/CSC 474A, LING/CSC/PSY 438, LING/CSC/ISTA 439, MATH/MATV/CSC/CSCV 443, MATH/MATV/CSC/MATV 475A, MATH/MATV/CSC/CSCV 475B, PHIL/CSC/MATH 401A, PHIL/CSC/MATH 401B, PHIL/CSC/PSY/PSYC 455, MATH/PHIL/CSC 402)

All CS students must be aware of the undergraduate course, Advanced Standing, and major policies unique to the Department of Computer

Science. CS undergraduate policies may be viewed here: <https://www.cs.arizona.edu/department-policies-undergraduates>.

Computer Science Supporting Mathematics Coursework

(R15831)

Satisfied: Computer Science Supporting Mathematics Coursework

1. Supporting Mathematics

(R15831/L10)

Satisfied: Complete 1 course. C or better is required in MATH 122B, 124, or 125 prior to taking MATH 129.

· **Courses:** 1.00 required, 1.00 completed

Term	Subject	Catalog Nbr	Course Title	Grade	Units	RptCd	RqDes	Type
